Note 2.
The actual balance of car loan noted against the item “liabilities” was made based on the statement as on 31/3/2011 and now consequent to the repayments, the said liabilities have been varied and the same is updated in this statement.

Therefore the total liability comes to Rs. 1,06,52,513/- instead of Rs. 1,16,24,924/- noted in the statement dated 02/09/2011.
